Once the funds are available, you can withdraw them in cash and/or we will use them to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. We have different deposit cut-off hours for different locations. Our cut-off hours are as follows:

3:00 P.M. ATM (Transactions completed prior to 3:00 P.M. will be posted the next business day. Transactions completed after 3:00 P.M. will be posted the 2nd business day.)
8:00 A.M. 24-HOUR DEPOSITORY
5:00 P.M. VOICE BANKING
5:00 P.M. INTERNET BANKING
5:00 P.M. BILL PAY
4:00 P.M. MOBILE BANK & MOBILE DEPOSIT
5:00 P.M. MONDOVI - MAIN BANK
5:00 P.M. BLUFF SIDING BRANCH
5:00 P.M. COCHRANE BRANCH
5:00 P.M. OSSEO BRANCH
1:00 P.M. GILMANTON BRANCH - M - W - F ONLY

If you make a deposit before our cut-off hour on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after our cut-off hour or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Reservation of Right to Hold. In some cases, we will not make all of the funds that you deposit by check available to you on the same business day as the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$225.00 of your deposit, however, may be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the business day after we receive your deposit. If you need the funds from a deposit right away, you should ask us when the funds will be available.

Longer Delays May Apply. We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- * You deposit checks totaling more than \$5,525.00 on any one day.
- * You redeposit a check that has been returned unpaid.
- * You have overdrawn your account repeatedly in the last six months.
- * We believe a check you deposit will not be paid.
- * There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Holds On Other Funds. If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Deposits at Automated Teller Machines. Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will not be available until the fifth business day after the day of your deposit. This rule does not apply at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines.

Special Rules For New Accounts. If you are a new customer, the following special rules will apply during the first 30 days your account is open:

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,525.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit.

Funds from deposits of checks drawn on Alliance Bank will be available on the first business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

Returned Checks. Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

A description of the transaction will appear on your statement.

The following limitations may be applicable to your accounts, except as provided by law:

Liability for Unauthorized Mastercard Debit Card Transactions on Cards Issued to Certain Consumers and Small Businesses.

The zero liability limit described below only applies to a United States-issued Mastercard branded debit card issued to: (i) a natural person, or (ii) a business or other entity only if the card is issued under a "small business" program described on Mastercard's website at www.mastercard.us/en-us.html. The zero liability limit described below does not apply if you are a business or an entity of any sort (corporation, limited liability company, partnership, etc.) unless the card issued to you is a "small business" card described above. The zero liability limit described below does not apply until your identity is registered by or on behalf of the card issuer. Under Mastercard's zero liability policy as described in the Mastercard Rules (as may be amended from time to time), the zero liability limitation described below may not apply for other reasons.

Tell us AT ONCE if you believe your Mastercard debit card has been lost or stolen or if you believe any unauthorized transactions have been made using your Mastercard debit card. Your liability for unauthorized use of your debit card with the Mastercard logo will not exceed zero dollars (\$0.00) if the following conditions have been met: (i) you have exercised reasonable care in safeguarding

your card from risk of loss or theft; and (ii) upon becoming aware of such loss or theft you promptly reported the loss or theft to us. If the conditions set forth above have not been met, you may be liable for unauthorized transactions to the extent allowed under applicable law (for example, see **Liability for Unauthorized Transfers** paragraph below). To notify us of lost or stolen cards, or of unauthorized transactions, call or write to us at the telephone number or address set forth in the **Liability for Unauthorized Transfers** paragraph below. This will help prevent unauthorized access to your account and minimize any inconvenience.

We may require you to provide a written statement regarding an authorized MasterCard debit card transaction in order for the zero liability limit described above to be applied.

Additional Limits on Liability for SHAZAM Debit Card. You will not be liable for any unauthorized transactions using your SHAZAM Debit Card if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, and (ii) upon becoming aware of a loss or theft, you promptly report the loss or theft to us. Mastercard is a registered trademark, and the circles design is a trademark of Mastercard International Incorporated.

Mastercard is a registered trademark of Mastercard Worldwide or its subsidiaries in the United States.

In addition to the limitations set forth above, the following limitations may be applicable to your consumer accounts:

Liability for Unauthorized Transfers. Tell us AT ONCE if you believe your card, ATM PIN, POS card or PIN, Audio Response PIN, or online and/or mobile banking PIN has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two (2) business days after you learn of the loss or theft of your card or code, you can lose no more than \$50.00 if someone used your card or code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or code, and we can prove that we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make, including those made by card code or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods. If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (715) 926-4234, or write us at Alliance Bank, P.O. BOX 187, MONDOVI, WI 54755-0187. You should also call the number or write this address if you believe a transfer has been made using the information from your check without your permission.

The above limitations do not apply to business accounts, unless otherwise required by law. You accept responsibility for implementing commercially reasonable security measures to

safeguard your business account card, ATM PIN, or POS card or PIN, Audio Response PIN, or online and/or mobile banking PIN from unauthorized use. If you authorize employees, agents, or others to use your card or code, you shall be liable for transactions conducted by such additional users. You are responsible for promptly examining your statement each statement period and reporting any unauthorized transaction within a reasonable time, not to exceed Thirty (30) calendar days after the statement is made available. If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (715) 926-4234.

Illegal Transactions. You may not use your ATM, POS, or Debit Card, or other access device for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness. Notwithstanding the foregoing, we may collect on any debt arising out of any illegal or unlawful transaction.

Business Days. For purposes of these electronic funds transfer disclosures, our business days are Monday through Friday. Holidays are not included.

Documentation.

Periodic Statement. You will get a monthly account statement from us, unless there are no transactions in a particular month. In any case you will get a statement quarterly. You will get a quarterly statement from us on your savings account if this is the only account you maintain and the only possible electronic transfer to or from the account is a preauthorized deposit.

Terminal Receipt. You can get a receipt at the time you make a transfer to or from your account using an ATM or a POS terminal. However, receipts for transactions of \$15.00 or less may not always be available.

Direct Deposits. If you have arranged to have direct deposits made to your account at least once every sixty (60) days from the same person or company, you can call us at (608) 248-2236 to find out whether or not the deposit has been made.

Our Liability for Failure to Make Transfers. For consumer accounts, if we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will **NOT** be liable for instance:

- * If, through no fault of ours, you do not have enough money in your account to make the transfer.
- * If the money in your account is subject to legal process or other claim restricting such transfer.
- * If the transfer would go over the credit limit on your overdraft line.
- * If the ATM where you are making the transfer does not have enough cash.
- * If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- * If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that

we have taken.

- * There may be other exceptions stated in our agreement with you.

For business accounts, refer to your account agreement(s) with us.

In Case of Errors or Questions About Your Electronic Transfers. For consumer accounts, telephone us at **(715) 926-4234**, or write us at **Alliance Bank, P.O. BOX 187, MONDOVI, WI 54755-0187** as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- * Tell us your name and account number (if any).
- * Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- * Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

If a notice of error involves an electronic fund transfer that occurred within thirty (30) days after the first deposit to the account was made, the error involves a new account. For errors involving new accounts, point of sale debit card transactions, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

For business accounts, we will generally follow the procedures for error resolution described above, but we are not required to process a claim if you do not notify us within Thirty (30) calendar days after the statement is made available, to give provisional credit, or to investigate your claim within the time periods described above.

Confidentiality. We will disclose information to third parties about your account or the transfers you make:

- * To complete transfers as necessary;
- * To verify the existence and condition of your account upon the request of a third party, such as a credit bureau or

merchant; or

- * To comply with government agency or court orders; or
- * If you give us your written permission.

Personal Identification Number (PIN). The ATM PIN, POS PIN or Audio Response PIN issued to you is for your security purposes. The numbers are confidential and should not be disclosed to third parties or recorded on the card. You are responsible for safekeeping your PIN(s). You agree not to disclose or otherwise make your ATM PIN, POS PIN or Audio Response PIN available to anyone not authorized to sign on your accounts.

Notices. All notices from us will be effective when we have mailed them or delivered them to your last known address on our records. Notices from you will be effective when received by us at the telephone number or the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty one (21) days before the effective date of any change, as required by law. Use of this service is subject to existing regulations governing your account and any future changes to those regulations.

Enforcement. In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorneys' fees and costs, including fees on any appeal, subject to any limits under applicable law.

Termination of ATM, POS and Audio Response Services. You agree that we may terminate this Agreement and your use of the ATM Card, POS or Audio Response services, if:

- * You or any authorized user of your ATM PIN, POS card or PIN or Audio Response PIN breach this or any other agreement with us;
- * We have reason to believe that there has been an unauthorized use of your ATM PIN, POS card or PIN or Audio Response PIN;
- * We notify you or any other party to your account that we have cancelled or will cancel this Agreement. You or any other party to your account can terminate this Agreement by notifying us in writing.

Termination of service will be effective the first business day following receipt of your written notice. Termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

Preauthorized Electronic Fund Transfers. For preauthorized electronic fund transfers on consumer accounts, the following provisions apply:

Stop Payment Rights. If you have told us in advance to make regular electronic fund transfers out of your account(s), you can stop any of these payments. Here's how: Call us or write to us at the telephone number or address set forth above, in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to

us within fourteen (14) days after you call. We will charge you \$ 25.00 for each stop payment order you give.

Notice of Varying Amounts. If these regular payments may vary in amount, the person you are going to pay will tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

Liability for Failure to Stop Payment of Preauthorized Transfers. If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

For preauthorized electronic fund transfers on business accounts, you may stop payment by notifying us in such time and manner as to allow us a reasonable opportunity to act upon the stop payment order prior to acting on the transfer. If your stop payment order is made verbally, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. We will charge you \$ 25.00 for each stop payment order you give.

Other Provisions. There may be a delay between the time a deposit is made and when it will be available for withdrawal. You should review our Funds Availability Policy to determine the availability of the funds deposited at ATMs. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

SUBSTITUTE CHECK POLICY DISCLOSURE

Substitute Checks and Your Rights

What is a substitute check?

To make check processing faster, federal law permits credit unions and banks to replace original checks with "substitute checks". These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original

check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What are my rights regarding substitute checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500.00 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How do I make a claim for a refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at ALLIANCE BANK, 245 S EAU CLAIRE STREET, MONDOVI, WI, 54755, (715) 926-4234. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include--

- * A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- * An estimate of the amount of your loss;
- * An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and

* A copy of the Substitute Check

DEPOSIT ACCOUNT AGREEMENT AND DISCLOSURE

INTRODUCTION. In this Deposit Account Agreement and Disclosure, each and all of the depositors are referred to as "you" and "your." The Financial Institution is referred to as "we," "our" and "us." This Deposit Account Agreement contains the terms and conditions governing certain of your deposit accounts with us. As used in this document, the term "Agreement" means this document, the signature card, a rate and fee schedule (which may be in the form of a Rate and Fee Schedule, Time Certificate of Deposit, or Confirmation of Time Deposit, hereinafter called the "Schedule"), Truth in Savings disclosures, a Funds Availability Policy Disclosure, and an Electronic Funds Transfer Agreement and Disclosure, if applicable. Each of you signing the signature card for a deposit account acknowledges receipt of this Agreement, and agrees to the terms set forth in the Agreement, as amended from time to time. You agree that we may waive, in our sole discretion, any fee, charge, term, or condition set forth in this Agreement at the time the Account is opened or subsequent thereto, on a one-time basis or for any period or duration, without changing the terms of the Agreement or your obligation to be bound by the Agreement, and we are not obligated to provide similar waivers in the future or waive our rights to enforce the terms of this Agreement.

DEPOSIT ACCOUNTS. From time to time, we may offer or you may open a variety of deposit accounts. Each such account (the "Account") is subject to the general terms and conditions and any specific terms and conditions relating to that type of account that may be set forth in this Agreement. If you open multiple Accounts, you may receive Schedule information for each Account, but this Agreement will cover all your Accounts with us. Each of you will be jointly and severally liable to us for debit balances in the Account, including without limitation overdrafts and Account charges, and jointly and severally promise to pay, upon demand, any and all debit balances, all fees and charges, and our reasonable attorneys' fees and costs and expenses of collection, including but not limited to those incurred at trial and on any appeal.

INTEREST. If your Account earns interest, the following information applies: **(A) Payment of Interest.** We will pay interest at the annual rate specified on the Schedule, which does not reflect compounding ("Interest Rate"). The Schedule also sets forth the frequency of interest payments, the frequency of any compounding and crediting, the interest accrual basis, the balance on which interest will be paid, and any minimum balance requirements. **(B) Minimum Balance Requirements.** The Schedule may specify a minimum balance that you are required to maintain in your Account. If the minimum balance is not maintained during a specified period, we, at our option, may not pay interest on your Account and/or may charge a fee for that period. You should review any minimum balance requirements on the Schedule. **(C) Initial Interest Rate.** The initial interest rate is the current annual rate of interest that we will pay on the specified balance in your Account. We may pay interest at different rates, depending on the amount deposited and the type of depositor (individual, business, non-profit organization, etc.). **(D) Interest Compounding and Crediting.** The Schedule will indicate the interest compounding

and crediting frequency for your Account (if any). Compounding generally means that interest is being accrued on earned interest. Interest may be compounded more frequently than interest is credited to your Account. **(E) Interest Accrual.** We may accrue interest on your Account more frequently than we pay or credit interest. The interest that has been calculated, but not paid to the Account, is called accrued unpaid interest. **(F) Changes.** We have the right to change the rates and fees in accordance with the terms of the Schedule. We also reserve the right to change any other term of this Agreement at our sole discretion.

FEES AND CHARGES. Subject to applicable law, you agree to pay us the fees and charges shown in the Schedules as are applicable to your Account or for other services performed by us. You agree the fees and charges may be changed by us from time to time and authorize us to charge your account for their payment whether or not each charge results in an overdraft of your account. Existing and future charges may be based upon the overall costs of providing account services and may or may not be based upon the direct cost or expense associated with providing the particular service involved. The charges may be based on consideration of profit, competitive position, deterrence of misuse of account privileges by customers, and the safety and soundness of the financial institution. We will notify you of the changes, to the extent required by law.

BALANCE METHODS. As used in this Agreement, the "average daily balance" method means "the application of a periodic rate to the average daily balance in the account for the period, determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period." The "daily balance" method means "the application of a daily periodic rate to the full amount of principal in the account each day."

DEPOSIT RULES. The following terms apply to deposits made to your Account: **(A) Endorsements.** You authorize us to accept transfers, checks, and other items for deposit to your Account if they are made payable to, or to the order of, any one or more of you, whether or not they are endorsed by you. You authorize us to supply missing endorsements, and you warrant that all endorsements are genuine. All checks and other items deposited to your Account should be endorsed payable to the order of us for deposit only, followed by your signature and Account number. We may permit you to deposit an electronic image or other electronic information related to a paper check through a service we provide that allows you to use a device, such as a mobile phone, to create and send to us such electronic image or information electronically. Before capturing an electronic image or electronic information of a paper check, you must endorse the check payable to the order of us "for mobile deposit only", followed by your signature and Account number, or any alternative restrictive endorsement we may allow and communicate to you. All endorsements must appear on the back of the check or other item within the first 1-1/2 inches from the left side of the item when looking at it from the front. Endorsements should be in black ink. While we may accept non-conforming endorsements, you will be responsible for any loss incurred by us due to the delay in processing or returning the item for payment. **(B) Final Payment.** All non-cash items (for example, checks) deposited to your Account are posted subject to our receipt of final payment by the payor bank. Upon receipt of

final payment, the item becomes a collected item. If final payment is not received or if any item you have deposited or cashed is charged back to us for any reason, you authorize us to charge any of your Accounts, without prior notice and at any time, for the amount of the returned item, our returned item fee, any interest paid on that item, and any other fee we pay or incur. If an item to be charged back is lost in the process of collection or unavailable for return, we may rely upon a photocopy of the item or upon any other generally accepted notification of return of the item, in charging you or any of your Accounts for the amount of the returned item. We reserve the right to refuse any item for deposit into your Account. **(C) Direct Deposits.** If we offer direct deposit services for automatic preauthorized deposits to your Account of Social Security payments or automatic transfers from your other accounts with us, you must notify us at least 30 days prior to the next scheduled direct deposit or preauthorized transfer if you wish to cancel the direct deposit or transfer service. If any amount deposited must be returned to the government for any reason, you authorize us to deduct the amount from your Account as provided in the Final Payment paragraph above. **(D) Crediting of Deposits.** The Funds Availability Policy Disclosure provided to you reflects our policies relating to the availability of deposited funds. **(E) Substitute Checks and Electronic Files Pertaining to Original Checks.** If you deposit a "substitute check" (as defined in Regulation CC § Section 229.2(aaa)) or a purported substitute check into your Account, you agree to reimburse us for losses, costs and expenses we may pay or incur associated with the item not meeting applicable substitute check standards and/or from duplicate payments associated with the item. If you provide us with an electronic representation of a substitute check for deposit into your account instead of an original check, you agree to reimburse us for losses, costs and expenses we may pay or incur associated with the substitute check resulting from the electronic representation not meeting applicable substitute check standards and/or from duplicate payments associated with the item. If you provide us with an electronic image or electronic information related to a paper check for deposit into your Account, you agree to reimburse us for losses, costs, and expenses we may pay or incur associated with the electronic image or information not meeting applicable standards for such images and/or from duplicate payment associated with the check. **(F) Deposit Discrepancies.** When you make a deposit to your account, we will credit your account for the amount stated on your deposit slip and we may provide you with a deposit receipt. We reserve the right to review the deposit and confirm the amount of funds you deposited but are not required to do so. If after any review we determine that the amount credited to your account is incorrect, we may adjust your account for the amount of the discrepancy but reserve the right not to do so if the discrepancy would not be a disadvantage to you. This may be the case, for example, if the amount credited to your account was more than the amount actually deposited by you. Notwithstanding the foregoing, we are not required to adjust your account unless within one year of the date of your account statement that shows the deposit either you notify us of the discrepancy or we discover it on our own. If you do not notify us of the error or we do not discover it on our own during this notice period, the amount credited to the account will be considered final.

WITHDRAWAL RULES. The following terms apply to withdrawals from your Account: **(A) Manner of Withdrawal.** You may make

withdrawals from your Account in any manner that is permitted by us for the type of Account that you have opened. Withdrawals by mail will be posted to your Account as of the day the transaction is processed by us. We may refuse to accept any check other than standard checks provided by us, or approved by us in advance. Withdrawals and transfers from your Account may be restricted as provided in the Agreement, or in the Schedule, or by applicable law. **(B) Withdrawal Restrictions and Overdrafts.** We do not have to allow you to make a withdrawal from your Account if you don't have sufficient available funds in the Account to cover the full amount of the withdrawal. **If there are available funds to cover some, but not all, of the withdrawals or other debits to your Account on a single business day, we will post the checks for which there are sufficient available funds in any order we may choose at our sole discretion.** We may pay other withdrawals or debit items (such as charges) prior to paying any checks, and we may post those other withdrawals or debit items in any order we may choose at our sole discretion. If there are insufficient funds available in your Account to cover a withdrawal or debit presented against your Account, this is called an "overdraft". We will handle each overdraft in accordance with our Standard Overdraft Policy (described below) or in accordance with any other agreement you may have with us (such as an overdraft protection agreement). Even if we choose to pay one or more overdrafts, we are not obligated to cover any future overdrafts. When we determine whether payment of an item will create an overdraft, we may determine the balance of your account at any time between the time we receive the item and the deadline for us to take action on the item. We are not required to determine your account balance more than one (1) time during this period. **(C) Standard Overdraft Policy.** Unless we have agreed to a separate overdraft protection agreement with you, the following rules apply. We are not obligated to pay any overdraft. Subject to the special rules discussed below for transactions at an ATM and one-time debit card transactions, we may assess a service charge on any withdrawal created by check, in-person withdrawal, ATM withdrawal, or other electronic means that results in an overdraft, whether we pay the overdraft or not. If we pay the overdraft, you agree, immediately upon notice from us, to deposit funds sufficient to cover the overdraft plus any service charge we impose. For consumer accounts, we may not impose a service charge in connection with an overdraft that results from a transaction at an ATM or a one-time debit card transaction unless you have given us your consent to pay service charges in connection with overdrafts that result from these transactions and we have sent written confirmation of that consent to you. You may revoke that consent at any time. **(D) Notice Requirements.** Federal regulations require us to retain the right to require you to give at least seven (7) days notice in writing prior to any intended withdrawal from a savings, negotiable order of withdrawal ("NOW"), or money market account. Although we usually pay withdrawals or checks without notice on these accounts, doing so does not mean that we give up this right. **(E) Postdated Items.** You agree that when you write a check, you will not date the check in the future. If you do and the check is presented for payment before the date of the check, we may pay it or return it unpaid. You agree that if we pay the check, the check will be posted to your Account on the date we pay the check, even though the posting date is prior to the date of the check. You further agree that we are not responsible for any loss

to you in doing so. We will not honor a postdated check if we receive advance notice from you at such a time and in such a manner as to afford us reasonable opportunity to act. The notice must be in writing, and it must specify the date, amount, and number of the check, along with the name of the payee. Notices are effective for the time periods stated under STOP PAYMENT ORDERS. You agree that we may return a postdated check to the presenter. **(F) Power of Attorney.** The person executing a power of attorney will be referred to as the principal and the person acting for the principal as the agent. We may refuse to comply with a power of attorney for reasonable cause, or until we receive an affidavit from the agent stating that the Power of Attorney presented is a true copy and that, to the best of the agent's knowledge, the principal is alive and that the relevant powers of the agent have not been altered or terminated. **(G) Signatures.** You recognize that we have adopted automated collection and payment procedures so that we can process the greatest volume of items at the lowest possible cost to our customers. In light of this, you agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for the sight examination of items with a face amount below an amount specified by us from time to time. You authorize us to store and use Signature Card information in any reasonable form we deem necessary, including any digitized signature capture process. If you use a facsimile signature or other form of mechanically reproduced signature (such as, but not limited to, desktop publishing, digitized, or computer software generated signature), you agree you shall have the sole responsibility for maintaining security of the facsimile or mechanically reproduced signature and the device by which the facsimile or mechanically reproduced signature is affixed and you shall bear the entire risk for unauthorized use thereof whether or not you are negligent. You agree that no facsimile or mechanically reproduced signature we have been authorized to honor may be considered a forgery or an unauthorized signature, but that such facsimile or mechanically reproduced signature shall be effective as your signature or endorsement whether or not you have been negligent. You further agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure (including reasonable attorney's fees) we or you may suffer or incur as a result of the unlawful use, unauthorized use, or misuse by any person of any such facsimile or mechanically reproduced signature or the device by which it is affixed. If you use any form of facsimile or mechanically reproduced signature device, you agree to deliver a sample to us if we request it. **(H) Preauthorized Drafts.** If we are unable to enforce presentment and transfer warranties on remotely created checks under Regulation CC, then if you voluntarily give information about your Account (such as our routing number and your account number) to a party who is seeking to sell you goods or services, and you do not physically deliver a check to the party, any debit to your account initiated by the party to whom you gave the information is deemed authorized by you. **(I) Electronic Check Conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your account using information from your check to pay for purchases or pay bills. The merchant or other payee uses the check information, along with the transaction amount, to initiate an ACH debit transaction. The transaction is electronically transferred through the ACH system and the funds will be debited directly from your account and

deposited automatically into the merchant or payee's account. When information from your check is used to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment. A description of the transaction will appear on your statement from us. Checks used in these types of transactions will not be returned with your statement. This type of electronic funds transfer from a consumer account is governed by the Electronic Funds Transfer Act and subject to the Electronic Funds Transfer Agreement and Disclosure(s). **(J) Re-presented Checks.** If a merchant electronically re-presents a check returned due to insufficient or uncollected funds, that transaction is not covered by the Electronic Funds Transfer Act. Checks involved in this type of transaction will not be included with your statement. You may authorize a merchant to electronically collect a fee associated with the re-presentation of a check. If a merchant electronically collects a fee associated with the re-presentation of a check, the fee transaction is covered by the Electronic Funds Transfer Act and subject to the Electronic Funds Transfer Agreement and Disclosures if the fee is debited as an electronic funds transfer from a consumer account. A description of the transaction will appear on your statement. **(K) Check Legends.** We may disregard information on any check or item other than the signature of the drawer, the identification of the drawee financial institution and payee, the amount, the endorsements, and any other information that appears on the MICR line. In addition, we are not responsible to take action on, or for failure to notify you of restrictive language placed on checks or other items, including but not limited to terms such as, "Void after 90 Days," "Paid in Full," "Two Signatures Required," "Void Over \$100" or similar statements. In accordance with reasonable banking standards, most checks and other items are processed through automated processing and, except in limited circumstances and in our discretion, most items are not individually examined. You agree that we act within reasonable banking standards by processing most checks and other items through automated processing systems. We may agree to adhere to extraneous legends if you notify us of such legends and we have agreed in writing to honor such legends.

STALE CHECKS. We reserve the right to pay or dishonor a check more than six (6) months old without prior notice to you.

CHECKING ACCOUNTS. If your account is a checking account, the following terms may apply. If we offer NOW accounts, the account must consist solely of funds in which the entire beneficial interest is held by one or more individuals in an individual capacity, a sole proprietor, or a governmental unit, but not professional corporations or business partnerships. A NOW account may also be held by a for profit organization serving in a fiduciary or trustee capacity for an entity that is itself permitted to hold a NOW account. Otherwise, an organization may hold a NOW account only if it is operated primarily for religious, philanthropic, charitable, educational, or other similar purpose.

SAVINGS ACCOUNTS. If your account is an interest bearing account and is not a NOW account or time deposit, the following terms may apply. **(A) Transfers and Withdrawals.** If your Account is a savings or money market deposit account, you may make no more than six (6) transfers and/or withdrawals during any one (1) calendar month or statement cycle (the period from one statement to the next) or similar period of at least four weeks, to

another of your accounts with us or to a third party by means of a preauthorized or automatic transfer, or telephonic (including data transmission) agreement, order or instruction or by check, draft, debit card, or similar order made by you and payable to third parties. A "preauthorized transfer" includes any arrangement by us to pay a third party from your account upon written or oral instruction (including an order received through an automated clearing house (ACH) or any arrangement by us to pay a third party from your account at a predetermined time or on a fixed schedule.) **(B) Excess Transactions.** We are not required by applicable law to enforce these transfer limits, but we are authorized by applicable law to enforce them if we so choose. If we elect to enforce these transfer limits, and if you have more than the allowable preauthorized transfers or preauthorized checks or drafts (for money market accounts) in any one period, we may elect to close your Account and place the funds in another account that you are eligible to maintain, or we may elect to take away the transfer and draft capabilities of the Account.

TIME DEPOSITS. If your Account is a time deposit, you have agreed to keep the funds on deposit until the maturity of your Account. If your Account has not matured, any withdrawal of all or part of the funds from your Account may result in an early withdrawal penalty. We will consider requests for early withdrawal and, if granted, the penalty provided in the Schedule will apply.

(A) Penalty. The early withdrawal penalty is calculated as a forfeiture of part of the accrued interest that has or would be earned on the Account. If your Account has not yet earned enough interest so that the penalty can be deducted from earned interest, or if the interest already has been paid, the difference will be deducted from the principal amount of your Account. For fixed rate Accounts, we will use the rate in effect for your deposit. **(B) Exceptions.** We may let you withdraw money from your Account before the maturity date without an early withdrawal penalty: (1) when one or more of you dies or is determined legally incompetent by a court or other administrative body of competent jurisdiction; or (2) when the Account is an Individual Retirement Account (IRA) established in accordance with 26 USC 408 and the money is paid within seven (7) days after the Account is opened; or (3) when the Account is a Keogh Plan (Keogh), if you forfeit at least the interest earned on the withdrawn funds; or (4) if the time deposit is an IRA or Keogh Plan established pursuant to 26 USC 408 or 26 USC 401, when you reach age 59 1/2 or become disabled; or (5) within an applicable grace period (if any).

STOP PAYMENT ORDERS. Subject to certain limitations, you may order us to stop payment on any check, automated clearing house/pre-authorized electronic funds transfer ("ACH/EFT"), or other item payable from your Account, whether drawn or authorized by you or any other account holder, as follows:

Stop Payment Against a Check or Other Item. A stop payment request against a check or other item payable from your Account will be effective if we receive the order at such time and in such manner as to afford us a reasonable opportunity to act upon the order. A stop payment order against a check or other item payable from your Account is effective for six (6) months, but it lapses after fourteen (14) calendar days if the original order was oral and was not confirmed in writing within that period. A stop payment order against a check or other item payable from your Account may

be renewed for additional six (6) month periods if renewed during a period within which the stop payment order is effective.

Stop Payment Against an ACH/EFT. For consumer accounts, a stop payment order against an ACH/EFT may be honored if received at least three (3) banking days before the scheduled date of the transfer. If we honor a stop payment request against an ACH/EFT received on or within three (3) banking days of the scheduled transfer, we do so without any liability or responsibility to any party having any interest in the entry. A stop payment order against an ACH/EFT is effective until the earlier of: (i) you withdraw the stop payment order, or (ii) the debit entry is returned, or, where a stop payment order is applied to more than one debit entry under a specific authorization involving a specific party, all such debit entries are returned. We may require you to provide us written confirmation of a verbal stop order request against an ACH/EFT within fourteen (14) calendar days. Additionally, if you request us to stop all future payments pursuant to a specific ACH/EFT authorization involving a particular party, we may require you to confirm in writing that you have revoked such authorization. For business accounts, a stop payment against an ACH/EFT is effective until the earlier of (i) you withdraw the stop payment order, (ii) the return of the debit entry, or (iii) six months from the date of the stop payment order, unless renewed in writing.

All stop payment order requests will require you to provide the date, the amount, and the number of the item or authorization, together with the name of the payee. If you give us incorrect information, we will not be liable for failing to stop payment on the item or authorization. Our acceptance of a stop payment order will not constitute a representation that the item or authorization has not already been paid or that we have a reasonable opportunity to act upon the order. You may not stop payment on an official, certified, cashier's, or teller's check issued by us, or request us to stop payment if we have otherwise become accountable for the item or authorization. In addition, you may not stop payment on checks governed by a separate agreement, such as a check guaranty agreement. Further you may not stop payment on an item or authorization after acceptance of the same by us.

Based upon the type of account ownership that you have designated, the following terms and conditions apply.

INDIVIDUAL ACCOUNTS. An Individual Account is an account in the name of one depositor only. Only that person may write checks against the Account or withdraw money, regardless of who actually owns the funds.

MULTIPLE-PARTY ACCOUNTS. This section pertains to multiple party accounts:

(A) Joint Account Ownership. An account with two or more Account Holders is a joint account. Unless you designate otherwise on the Signature Card, joint Account Holders will be considered joint tenants with right of survivorship.

(1) Joint Tenants With Right of Survivorship. If your Account is a joint account with right of survivorship, upon the death of one of the joint Account Holders, that person's ownership interest in the Account will immediately pass to the

other joint Account Holder(s). The surviving joint Account Holder(s) need not survive the deceased Account Holder(s) by any specific time period to be eligible to receive the deceased joint Account Holder's ownership interest in the Account.

(2) Joint With No Right of Survivorship. If your Account is a joint account with no right of survivorship (Joint as Tenants in Common), upon the death of one of the joint Account Holders, that person's proportionate ownership interest will pass to the estate of the deceased Account Holder.

(3) Marital Account. If your Account is a marital account, the funds in your Account belong during the lifetime of both parties, to the parties without regard to the proportion of their respective contributions to the sums on deposit or to the number of signatures required for payment. A party to a marital account may name one or more P.O.D. beneficiaries for that party's interest. Upon the death of either of them, fifty (50) percent of the sums on deposit are owned by the survivor and fifty (50) percent are owned by decedent's estate unless there are P.O.D. beneficiaries named by the deceased party. The financial institution is not liable for any amount withdrawn by a party who falsely claims to be the decedent's spouse. A surviving party to a marital account, or a surviving beneficiary(ies) of a party's interest, need not survive the last surviving party by any specific time period to be eligible to receive the deceased party's ownership interest in the Account.

Each joint Account Holder, without the consent of any other Account Holder, may, and hereby is authorized by every other joint Account Holder, to make any transaction permitted under the Agreement, including without limitation: to withdraw all or any part of the account funds; to pledge the account funds as collateral to us for any obligation, whether that of one or more Account Holders or of a third party; to endorse and deposit checks and other items payable to any joint Account Holder; to give stop payment orders on any check or item, whether drawn by that Account Holder or not; to consent to or revoke consent to payment of service charges on overdrafts that result from ATM transactions or one-time debit card transactions under the Standard Overdraft Policy; and, to close the account, with the disbursement of account proceeds as instructed by the joint Account Holder. Each joint Account Holder is authorized to act for the other Account Holder(s) and we may accept orders and instructions regarding the account from any joint Account Holder. If we believe there to be a dispute between joint Account Holders or we receive inconsistent instructions from the Account Holders, we may suspend or close the account, require a court order to act, and/or require that all joint Account Holders agree in writing to any transaction concerning the account.

Your obligations under the Agreement are joint and several. This means that each joint Account Holder is fully and personally obligated under the terms of the Agreement, including liability for overdrafts and debit balances as set forth above, irrespective of which joint Account Holder benefited from the withdrawal. If you establish a joint account without the signature of the other joint Account Holder(s), you agree to hold us harmless for our reliance upon your designation of the other joint Account Holder(s) listed on our documents. Further, the Account is subject to the right of setoff as set forth below.

(B) Totten Trust Account. A Totten Trust Account is an informal trust account, reflected on our records, but without a written trust agreement, where the Account is owned by the trustee. The beneficiaries have no right to any funds in the Account during the trustee's lifetime. As the owner of the Account, the trustee may withdraw money from the Account and may, by written direction to us, change the beneficiary under the Account. When the trustee dies, the Account is owned by the named beneficiary or beneficiaries. If the Totten Trust Account is held by more than one trustee, the trustees will be subject to the rules pertaining to joint account ownership as set forth above. If there is no surviving beneficiary upon the death of the last trustee, state law will determine ownership of the funds in the Account. The surviving beneficiary(ies) need not survive the last deceased Trustee by any specific time period to be eligible to receive the last deceased Trustee's ownership interest in the Account.

(C) P.O.D. Account. A Payable on Death (P.O.D.) Account is an account payable to the Account Holder during his or her lifetime. As the owner of the Account, you may withdraw money from the Account and may, by written direction to us, change the P.O.D. payee(s) under the Account. When the Account Holder dies, the Account is owned by the P.O.D. payee(s). If the P.O.D. Account is held by more than one person, each Account Holder will be subject to the rules pertaining to joint account ownership as set forth above. If there is no surviving P.O.D. payee upon the death of the last owner, state law will determine ownership of the funds in the Account. The surviving beneficiary(ies) need not survive the last deceased Holder(s) by any specific time period to be eligible to receive the last deceased Holder's ownership interest in the Account.

New Account Procedures. The Federal Reserve Bank is allowing Alliance Bank to institute new accounting procedures (Federal Reserve reporting techniques) regarding the way we classify deposits. This reclassification will occur only on our books and will not affect your Alliance Bank statement, account balance, fees, or the interest you may earn on your account. It will also not impact your FDIC coverage. For internal accounting purposes only, the personal, business, public, and U.S. Government demand deposit and NOW accounts will consist of a checking sub account and a money market sub account. In accordance with Regulation D, we may move funds between sub accounts periodically. Please note this will not affect your account in any way. If you have questions please call 715-926-4234.

ADDITIONAL ACCOUNT TYPES. This section applies to other deposit account types:

(A) Formal Trust Account. A Formal Trust Account is an account held by one or more trustees for the benefit of one or more beneficiaries according to a written trust agreement. Upon our request, the trustee(s) will supply to us a copy of any trust agreement covering the account. We act only as custodian of the trust funds and are under no obligation to act as a trustee or to inquire as to the powers or duties of the trustee(s). The trustee(s) and/or any person opening the Account, in their individual capacity and jointly and severally, agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any beneficiary or other

trustee with respect to the authority or actions taken by the trustee(s) in handling or dealing with the Account.

(B) Uniform Transfer to Minors. If you have established the account as a custodian for a minor beneficiary under our state version of the Uniform Transfers to Minors Act or the Uniform Gifts to Minors Act, your rights and duties are governed by the Act. You will not be allowed to pledge the account as collateral for any loan to you. Deposits in the account will be held by us for the exclusive right and benefit of the minor. The custodian and/or any person opening the Account, in their individual capacity, agree to indemnify and hold us harmless from and against any and all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any beneficiary or other custodian with respect to the authority or actions taken by the custodian in handling or dealing with the Account.

(C) Representative Payee Accounts. Subject to applicable law, a Representative Payee Account is a type of fiduciary account in which a representative payee (appointed by the Social Security Administration) manages Social Security and Supplemental Security funds received on behalf of a beneficiary. IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. You understand that supervisory personnel may randomly monitor customer service telephone conversations to ensure that you receive accurate, courteous, and fair treatment. If you ask us to follow instructions that we believe might expose us to any claim, liability, or damages, we may refuse to follow your instructions or may require a bond or other protection, including your agreement to indemnify us. You

agree to be liable to us, to the extent permitted by law, for any loss, costs, or expenses that we may incur as a result of any dispute or legal proceeding involving your Account. You authorize us to deduct any such loss, costs, or expenses from your Account without prior notice to you or to bill you separately. It also includes situations where any action taken on your Account by you, an authorized signer, a joint owner, or a third party causes us to seek the advice of an attorney, whether or not we actually become involved in a dispute. Any action by us for reimbursement from you for any costs or expenses may also be made against your estate, heirs and legal representatives, who shall be liable for any claims made against and expenses incurred by us. If a court finds any provision of the Agreement to be invalid or unenforceable, such finding shall not make the rest of the Agreement invalid or unenforceable.
